Why Does Wikipedia Think I'm Evan Spiegel?

Wired – Business · Topic: **AI/Cloud/Quantum**

- **What it is:** A journalist's photo incorrectly replaced Evan Spiegel's official image on his Wikipedia page for over a week, causing a factual misrepresentation.
- **Who:** The incident involves Wired's author, Evan Spiegel (CEO of Snap), Wikipedia as the platform, and by extension, Snap's public image.
- **What it does:** This error publicly misrepresents a prominent CEO on a globally trusted information source, indicating a lapse in content verification and editorial oversight.
- **Why it matters:** It highlights the persistent challenge of maintaining information accuracy on user-generated platforms, demonstrating how easily misinformation can spread and persist.
- **Strategic view:** This incident underscores the critical need for robust content moderation and prompt error correction mechanisms to protect brand reputation and factual integrity on widely accessed digital platforms.
